SCAN ME

TKO
WE'VE GOT YOUR BACK

Print like a pro using TKO'S custom heat transfers! All you need is a heat press and TKO transfers to save time and money. Our screen-printed transfers are made with **plastisol ink** just like a traditional screen-printer would use. Choose from two game-changing formulas, **Active Sport** and **Premium Plus**.

TKO is hands-down your winning solution for printing shirts, hats, bags, hoodies, koozies, or other blank options. Now you can print all your designs without sacrificing quality for convenience. **Customizing your products has never been easier!**

Single Image

- Must contain only **1 design** per sheet.
- You may not place multiple copies on the same sheet nor 2 different designs.
- No cutting is required.

Gang Sheet

- Allows for multiple designs to be placed on one sheet.
- Each sheet can contain as many images as you can fit, they can be copies of the same design or completely different images.
- Your sheet will print and arrive as submitted, it will not be cut.

HEAT PRESS MACHINES

PROFESSIONAL GRADE, MADE IN THE USA

Hotronix® Auto Clam Heat Press

Free Shipping

Multi-task while avoiding over-application and ruined garments with this auto-open clam heat press. Interchangeable platens allow you to heat print a variety of items of different shapes and sizes.

11" X 15" 16" X 16" 16" X 20"

\$1,300.00 to \$1,950.00

Hotronix® Cap Heat Press

Free Shipping

Offer your customers full uniform customization with this automatically opening cap heat press. It's perfect for baseball and softball caps, fan wear, spirit wear, souvenirs, and more.

Purchase additional cap platens for heat pressing on caps of different sizes, including low-profile, oversize, and full or low crowns.

\$1,100.00

Hotronix® LowRider Heat Press

Free Shipping

Heat print collar labels, small patches, and other small designs with this compact heat press. Lightweight and easily portable for mobile heat-printing opportunities. The patented magnetic auto-open feature prevents over-application.

Easy-to-read digital time, temperature, and pressure display for consistent printing. Space-saving clamshell design.

\$1,100.00

Hotronix® Hover Press™ Heat Press

Free Shipping

This unique machine works as a hover heat press for curing of DTG and screen printing inks, or as an automatically opening press for applying heat transfers.

\$2,150.00

Hotronix® Dual Air FUSION IQ® Heat Press

Free Shipping

The Dual Air Fusion IQ® Heat Press is built for the ultimate heat printing efficiency. This heat transfer machine provides the functionality of two Air Fusion IQ® heat presses with smooth, effortless operation controlled by the push of a button and tap of a foot pedal. The upper platen moves between heat printing stations, allowing operators to prepare garments on one station while the other is being pressed.

Double your heat printing capacity and make the most of your valuable time. The Dual Air Fusion IQ® comes standard with a Laser Alignment System for fast, accurate, and high-level custom apparel production on every order.

\$8,150.00

Hotronix® Fusion IQ® Heat Press

Free Shipping

The Fusion IQ® Heat Press is designed so your business can work smarter, not harder. This digital heat transfer machine has stored application instructions, an ultra-responsive interface, and self-diagnostic capabilities, allowing you to grow and improve your custom apparel business.

The high-resolution touch screen controller allows you to easily modify or save any desired settings.

\$2,650.00

Hotronix® 360 IQ® Hat Heat Press

Free Shipping

Now you can print many types and sizes of hats with just one platen. The Hotronix® 360 IQ® Hat Press with patented Dual Silicone Platen™ technology is engineered to solve all your cap printing problems.

- Eliminates creasing
- Eliminates scorching
- Print on all sides of the hat
- Control upper and lower heat independently for accurate application
- Bonds adhesives from underneath
- Includes 2 foam cover pads for applying thick or dimensional items

\$1,850.00

Hotronix® Air Fusion IQ® Heat Press

Free Shipping

The Air Fusion IQ® Heat Press makes heat printing a breeze. This digital heat transfer machine features air-powered operation, a heat-free workspace, and a touch-screen interface complete with stored application instructions and self-diagnostic capabilities.

Through an added air compressor and two-button functionality, the Air Fusion® IQ reduces operator fatigue and is perfect for producing high-volume custom apparel orders.
